Committee Reports

Athletics – Cory Holtzclaw, Athletic Supervisor

- There are no additional items or issues to report.

Greer Cultural Arts Council (GCAC) – Robin Byouk, Cultural Arts Supervisor, on behalf of Mandy Hambrook, GCAC Adhoc Representative

- On November 2, at the Day of the Dead Festival, GCAC provided 33 volunteers to help set up and take down tents, tables, and signs, as well as manage the six craft tables.
- The Greer Children’s Theatre presented Beetlejuice Jr. at the Cannon Center from October 17 to 26, 2025. We believe the attendance was lower for this show because the theme did not appeal to our target audience of children and grandparents.
- The Greer Children’s Theatre held auditions for The Lion King Jr. in December. Eighty children auditioned, and forty-seven were cast. Rehearsals began on January 5, taking place on Mondays, Tuesdays, Thursdays, and Saturdays.
- Lion King Jr. tickets go on sale on Monday, February 6, 2026, at noon. Performances are March 6-8 & 13-15, 2026 at the Cannon Centre.
- Auditions for Junie B. Jones, the Musical, are on April 4, 2026.

Disabled American Veterans – Reverend Rob Robinson, (DAV) Chapter 39 Representative.

- There are no issues to report.

Greer Golf – Sam Merrell on behalf of Bill Harrill, Ad hoc Representative

There are no issues to report. He did relay to me that he was happy with the increased number of tournaments being played at the course.

SOAR, Tennis & Pickleball - Justin Miller, Recreation Supervisor

- There are no issues to report

Departmental Updates

Athletics Division – Cory Holtzclaw, Athletics Supervisor

- Our Tomahawk Youth Wrestling programming continues at maximum capacity and operates from the Cannon Centre.
 - The annual Tomahawk Invitational wrestling tournament is half full, which registers 200 wrestlers. This tournament is the largest recreational wrestling tournament in the state. The tournament is scheduled for February 7, 2026, and is held at Greer High School.
- The Fall Youth Cheer season ended with their performance at the Bank of America Stadium in Charlotte, NC. This is an event the girls look forward to each year.
- Spring registration has concluded for: Foothills Soccer Club, Greer Baseball Club, and Greer Softball. Assisted with the City of Greer committees
- Attended the SCRPA (South Carolina Recreation & Parks Association) Sports Management Institute at Coastal Carolina University.
- Hosted a communication meeting to bolster baseball and softball umpire numbers. Currently, we are in a nationwide shortage of baseball/softball umpires. The indoor sports (basketball/volleyball) tend to recruit the best baseball/softball umpires.
- The First full year of in-house concession sales was a success! These funds will help offset the costs of high-maintenance athletic programs (for example, athletic programs requiring athletic trainers).

Cultural Arts Division – Robin Byouk, Cultural Arts Supervisor

- The Cultural Arts Division held its second *Day of the Dead* Festival on Saturday, November 2, 2025. The festival went smoothly and was very well attended. We don't have an official attendance figure, but it seemed at least as busy as last year, when it had 1,300 attendees. Since this year's event was 3 hours longer than last year (1-9 pm instead of 2-7 pm), we had closer to 2,000 throughout the day. The Day of the Dead Festival featured live entertainment such as musicians and dancers, stilt walkers dressed in monarch butterfly-inspired costumes, a DJ playing music in the amphitheater, artist vendor tents, free craft tents outside, monarch butterfly education, a larger-than-life Catrina sculpture and ofrenda, both symbols of the festival's meaning, face painting, balloon art, food trucks, and more.
- On Tuesday, November 4, Edwin Hutchinson, along with assistance from Seth Williams of the grounds division, installed the five outdoor displays and the large Mosaic Butterfly wings for the Butterfly Project in the park at the Center for the Arts. A dedication will be scheduled after the winter holidays.
- The *Holiday Arts Fair* was held on Saturday, November 22, at the Center for the Arts. We had 29 vendors inside the building, and the crowds seemed larger than we had previously had for this event. We also had the *Empty Bowls Project* going on during the event, and the 67 bowls sold raised approximately \$1,340 for *Greer Community Ministries*. The Empty Bowls project is an international project where ceramists and clay artists create and donate bowls to be sold, with the proceeds donated to various charities.

- On Dec 9, we held our *Gingerbread Jamboree and Student Art Exhibition reception*. The *Carolina Bronze* performed in a packed room, and our Gingerbread houses were on display. We had over 200 visitors that evening. The Student Art Exhibition included 8 schools, 3 homeschools, and 112 pieces of art, which was our largest participation to date. Over the 2 weeks of display, we had 300 visitors through our Gingerbread Houses display.
- The *Santa Central* multicultural event took place on Saturday, December 6, at the Center for the Arts. The event featured three Santas representing different ethnicities. Crafts were available for children, and gingerbread houses were on display for viewing. Approximately 50 people attended the event.
- **Upcoming Events:**
 - Juried Art Exhibition Reception February 10
 - W. Bing Davis Art at the Center for the Arts Gallery April-June

Events Division – Robbie Davis, Events Supervisor

The Events Division hosted the following events:

October 23 – January 22, the Events Division has hosted

84 – Internal Events

67 – Rentals

12 – Special Events

14 – Weddings

*A Total of 177 events that brought in over 22,000 people to Greer City Park.

- Greer Alive and the Greer Farmers Market partnered to kick off Halloween on Friday, October 24, at Greer City Park. Guests were encouraged to dress in their best Halloween costumes and visit more than 40 vendors who distributed candy throughout the event. The evening featured live music by Chris Wayne, over nine food trucks, free face painting, and interactive activities provided by The Children's Museum of the Upstate.
- Our first Sensory Santa was held on November 22. We hosted over 19 families from the upstate area who participated in this event, which gave children 15 minutes of one-on-one time with Santa and Mrs. Claus for children who get overstimulated easily. This allows for a quieter, less stressful environment. We are looking forward to expanding this program next year.
- The Greer Christmas Tree Lighting took place on Friday, December 5, at Greer City Park, welcoming over 2,000 attendees. Guests gathered to celebrate the annual lighting of the Greer Christmas Tree and enjoyed a festive evening filled with free crafts, train rides, live dance performances, an ice carving demonstration, and inflatables. Greer Relief was on-site, selling marshmallows for roasting and serving hot chocolate, while the American Legion and Boot Print were inside raising awareness for veterans. The most magical moment of the night came with the announcement of Greer's 150th celebration, delivered by Mayor Danner, his granddaughter Ruby, and David Lovegrove from the Greer Heritage Museum.
- The 2025 Supper with Santa welcomed over 225 City of Greer employees and their families on Friday, December 5, for a festive evening filled with a delicious breakfast for dinner provided by Laurenda's Family Restaurant & Catering, visits and photos with Santa, and free Christmas crafts for all ages, while also raising \$950 to donate to the Greer Police Department's Cops for Tots program.
- The 2025 Breakfast with Santa event featured three sold-out sessions on Saturday, December 6, where guests enjoyed a delicious breakfast from Laurenda's Family Restaurant & Catering, free holiday crafts, and memorable photos with Santa.
- The Greer Farmers Market Christmas Festival took place on Saturday, December 6, and Sunday, December 7, welcoming thousands of guests for a festive weekend filled with Christmas shopping from over 65 local vendors, live holiday music, and delicious food from local food trucks.
- The 24th Annual Dr. Martin Luther King Jr. Celebration, held January 19 at The Event Halls at Greer City Hall, united the Greer community to honor Dr. King's lasting legacy. The event featured inspiring music and spoken word performances, along with a powerful keynote address by Woodrow Dantzler. Outstanding community members were recognized, including Singleton Gilmore with the Samaritan Award and Judge Henry J. Mims with the Rev. R.B. Sullivan Award. A Special Key to the City was also presented to former Harlem Globetrotter Kris Bruton for his leadership and positive impact on youth. The celebration honored Dr. King's vision while encouraging continued progress toward justice, equality, and community empowerment.

Ambassadors

- The Greer Station Shuttles continued to support our local restaurants, shops, and businesses in downtown Greer Station by picking up over 6,000 people throughout the year.

Greer Golf – Sam Merrell, Assistant General Manager, Greer Golf

Grounds Maintenance

- All tees were over-seeded with rye grass and top-dressed for the fall and winter.
- Ground staff patched some of the few remaining bad spots on our putting greens with diamond zoysia grass back in October, and they painted all our putting greens for the winter last week.
- We installed new irrigation software and hardware, and they are now fully operational. We also received our new greens roller this week.
- The Grounds Maintenance staff removed the old cart path at hole #12 bridge and have also been cleaning up limbs, fallen trees, etc. that they were not able to get to last year (from Hurricane Helene). They also assisted with the installation of the Recreation Division's pollinator garden next to the driving range.

Clubhouse - Pro Shop

- Tournaments hosted:
 - The Greer Community Ministries Annual Meals on Wheels Tournament on October 10, 2025. The tournament had nearly 160 players and is our biggest of the year.
 - The High School Girls Regional tournament for local high schools is on October 13.
 - Club Championship, which was open to all members and city of Greer residents. We had 40 participants.
 - Gap Creek Club Black Friday Two-Man Tournament on November 28 and the GCC (Gap Creek Club) Cup on January 11, 2026.
 - Through December 31 (6 months of Fiscal Year operation), we collected \$842,905.69 in revenue. This is 63% of our annual budget, and \$204,794.57 more in revenue than we had through December of last year.
- Greer Golf was featured in a digital ad on **GreerNews.com** for October.
- A tree dedication ceremony honoring the life and service of Cody Norris was held on Tuesday, November 25. Cody was a former employee and avid golfer who tragically passed away on November 22, 2024. The dedication included an opportunity for colleagues and friends to share memories. The 6-inch caliper Live Oak tree is placed on the left side of the cart path leading to hole #10 and features a plaque in Cody's honor.
- **Upcoming:**
 - Greer Golf is hosting Greer High School and Greer Middle School golf teams.
 - 2026 has been a little colder than recent years so far. We've had several days where frost delays have pushed our first tee time of the day to 10:30, and we are looking at potentially covering our greens and closing the course this weekend due to the severe weather.
 - We are planning our first Member-Guest tournament since being acquired by the city. We hope to have the tournament in March.

Recreation – Justin Miller, Recreation Supervisor

- Recreation Department End of the 2025 Year Programs & Rentals.
 - Department Programs: 45
 - Recreation Center Rentals (Tryon & Needmore Recreational Centers): 88
 - Kids Planet Rentals: 803
 - Neighborhood Parks & Private Rentals: 10
 - We recently completed the bi-annual and annual reports for the Senior Yoga and Summer Camp programs, required for receiving grants. Additionally, we have submitted our reimbursement request for the Senior Yoga program, which concluded this past fall.
- Recreation has completed a new basketball program at Stevens Park Basketball Courts, our newest facility. Eighteen (18) participants attended a community basketball clinic, followed by a four-week training session with twenty-two (22) participants.

Tourism – Lindsey Shaffer, Tourism Specialist

- **Greer150 PowerPoint Presentation, highlights of the year-long events planned:**

2026 will be a year-long celebration that brings together our diverse community, honors the past, and inspires a shared vision for the next 150 years of Greer.

 - We are partnering with the Greer Heritage Museum to bring monthly events, Greer150 merchandise, and much more.
 - Throughout the year, we will tell the story of Greer through interviews, art, storytelling, events, and engaging and educational social media content.
 - For the Greer150 branding, we decided to invite our community to take part in a special way. We made a call for branding submissions, formed a selection committee, and ultimately selected Scott Prather, who is a Greer resident. Scott's passion for this project was inspiring, and the designs connect Greer's rich history to the present day.
 - Our communications department made a webpage within the city website that will serve as the hub for Greer150 events and information.
 - We invite the community to get involved through volunteering and sharing stories of living in Greer. There is also a Business Prep Guide on the website showing how businesses and organizations can be part of the celebration.
 - Greer150 merchandise is available through the museum and can be purchased online at select events, and at the museum.

Grounds Maintenance and Urban Parks Division – Red Watson, Assistant Director of Parks, Recreation, and Tourism, *on behalf of Public Services & Grounds Department.*

Grounds - Athletics

- Public Service staff members assisted with several events, which included: the Christmas Tree Lighting, the Christmas Parade, and Arts and Eats, an annual event hosted by the Chamber.
- Staff prepared Country Club Fields for the Christmas 7s rugby tournament on December 7.
- Staff applied rye grass and fertilizer to City Stadium, Country Club Soccer Fields 1 and 2, Suber Soccer Fields 1 and 2, using our in-house turf program.

Grounds – Urban Parks

- Four staff members attended the Professional Grounds Management Society (PGMS) conference in Louisville, KY, in October, and brought home the National Grand Award for City Park/Downtown and the National Honor Award for Center for the Arts Park. These are very prestigious awards, and they went through a very competitive process and were recognized by Council for this accomplishment.
- Staff delivered six (6) Big Belly trash compactor units to City Park. These replaced the old units, which lined the promenade and around the fountain/amphitheater area.
- The Greentown Park entrance gate was installed on Friday, November 21
- Staff re-painted the Tube Dude statue at the Center for the Arts with the City color royal-gloss blue.
- We have had 4.4” of rain

Greer Golf Financial Reports – Red Watson, Assistant Director – Parks, Recreation and Tourism Financial Report

- Our program funds look good operationally. Supervisors continue to do a great job each season. All these programs are self-sustaining.
- Our Parks & Recreation Development (PARD) Grants. This grant was used by the golf course to extend the putting green, and we plan to apply for two (2) additional PARD grants in the Spring and possibly use the funds for improving the cart paths. PARD grants are broken up by counties, so we apply to the two counties in which the City of Greer is located. On the Spartanburg County side of the course and on the Greenville County side, we are thinking about using the funds to replace the range ball machine and making some cosmetic changes to the building it's housed in to use for additional storage.

Action Item:

- We are asking for your support to allocate a portion of the Fund Balance in our Recreation Programs Fund to upgrade the lighting system at Stevens Field for these reasons:

Sports field lighting technology has progressed rapidly over recent years. LED lighting is now the standard, and if you've been to Big Turner since we completed construction, you'll definitely see the difference between the LED lights there and the old lights (metal halide) at Little Turner. We've also heard from our local installers that metal halide bulbs will eventually become obsolete, and they are already becoming difficult to find. Very few manufacturers make ballasts for metal halide lights any longer, and most of those available are "aftermarket."

Knowing this, we have held high-level budget discussions over the past couple of years to develop a plan to upgrade all of our field lights. Stevens Field is home to our 15–19-year-old League, American Legion, Adult Baseball, and many high schools and academy teams use this facility throughout the year. This is a high-level playing field. Stevens Field is currently under construction to rebuild the outfield wall that was damaged in Hurricane Helene. This presented a perfect opportunity to upgrade the lighting system to LED and make this facility a safe, efficient, and unique baseball stadium for our community.

We arranged to have the light levels measured at Stevens Field by a local manufacturer, and they recommended upgrading all our lighting systems to LED. No surprise there. One thing that stood out in the study was that Stevens Field has abnormally low lighting levels. The levels are low enough to warrant immediate action, and we are planning to move forward with creating and advertising a request for proposals to upgrade our lighting system to LED. This will keep us on track to complete the project in April, before the American Legion season starts in the summer.

Benefits of converting: Significant energy savings, lower maintenance costs due to extreme longevity, superior light quality (brighter, less glare, better color), instant on/off with dimming/customization. This improvement will enhance player safety, performance, and fan experience.

- Red opened the floor for questions from the Board of Trustees:
 - Q.** Lance Owens: What is the approximate cost for the upgrade?
A: *Approximately - \$175k - \$225k*
 - Q.** Lance Owens: And we have that money in our account?
A: *Yes, as of 6/31/26, we have a balance upwards of \$500K (\$519,310)*
 - Q.** Jason Bridwell: Are these halogen lights?
A. *That's what I would call them. They refer to them as Metal Halide lights.*

Comment: *Amanda Hopper: For many years, citizens have requested that the lights be replaced out there, and if these lights are becoming obsolete and we will need to replace them in the near future, it may be beneficial to purchase them sooner rather than later to receive better pricing.*

Action: A vote of confidence to support upgrading the lighting system at Stevens Field with a portion of the Recreation Programs Funds.

- Vincent Anderson made a motion to take a vote.
- Second: Lance Armstrong

Vote: All Trustees were polled individually, and the decision was unanimous in support of upgrading the lighting system at Stevens Field with a portion of the Recreation Programs Fund.

Director's Report Ann Cunningham, Director
ADMINISTRATION:

Capital Projects

- **Stevens Field Wall Replacement:** Construction of the outfield wall section that was damaged during Hurricane Helene was awarded to Foothills Construction Company. This project began in January. Money to reconstruct the wall is provided through FEMA. A new scoreboard will be installed and mounted on the new concrete field wall.
- **South Tyger River Greenway:** Foothills Construction Company began construction of the South Tyger River Greenway in the third week of November. They are working diligently and have accomplished all the tree removal before the December 15 deadline. This was to avoid interfering with the endangered Tri-Colored Bat's mating season. Grading of the trail has begun with the removal of debris.
- **Wards Creek Trail System:** SCDOT is reviewing the new path outlined by CPW.
- **Century Park:** Bids to repair/renovate the lower entrance to Century Park and address several areas throughout Kids Planet were presented to City Council on Tuesday, January 13. The project was awarded to McMurria Grading. The project will address stormwater erosion issues in Kids Planet and the lower entrance, as well as repave the road up to the bridge, leading to the ball fields.
- **Greer Golf:** Construction on the new bridge at Hole #12 leading to the tee box began in September 2025. Remaining construction consists of installing the handrails on the bridge and pouring the concrete cart path to the tee box.
- **Cannon Centre Retaining Wall:** A 35 ft. section of the retaining wall is peeling loose from the embankment. Our Capital Projects Management team is currently reviewing engineering plans to determine the best course of action.

Other Updates

- The City of Greer and all departments are preparing for the incoming winter storm. The City's website and social media outlets will communicate any operation closures and updates.
- We have Ad-Hoc Committee Representatives whose terms have expired, and we are actively seeking replacements for those positions. These will be presented to the Board and voted on at our next meeting.

12 – Special Events

14 – Weddings

*A Total of 177 events that brought in over 22,000 people to Greer City Park.

- Greer Alive and the Greer Farmers Market partnered to kick off Halloween on Friday, October 24, at Greer City Park. Guests were encouraged to dress in their best Halloween costumes and visit more than 40 vendors who distributed candy throughout the event. The evening featured live music by Chris Wayne, over nine food trucks, free face painting, and interactive activities provided by The Children's Museum of the Upstate.
- Our first Sensory Santa was held on November 22. We hosted over 19 families from the upstate area who participated in this event, which gave children 15 minutes of one-on-one time with Santa and Mrs. Claus for children who get overstimulated easily. This allows for a quieter, less stressful environment. We are looking forward to expanding this program next year.
- The Greer Christmas Tree Lighting took place on Friday, December 5, at Greer City Park, welcoming over 2,000 attendees. Guests gathered to celebrate the annual lighting of the Greer Christmas Tree and enjoyed a festive evening filled with free crafts, train rides, live dance performances, an ice carving demonstration, and inflatables. Greer Relief was on-site, selling marshmallows for roasting and serving hot chocolate, while the American Legion and Boot Print were inside raising awareness for veterans. The most magical moment of the night came with the announcement of Greer's 150th celebration, delivered by Mayor Danner, his granddaughter Ruby, and David Lovegrove from the Greer Heritage Museum.
- The 2025 Supper with Santa welcomed over 225 City of Greer employees and their families on Friday, December 5, for a festive evening filled with a delicious breakfast for dinner provided by Laurenda's Family Restaurant & Catering, visits and photos with Santa, and free Christmas crafts for all ages, while also raising \$950 to donate to the Greer Police Department's Cops for Tots program.
- The 2025 Breakfast with Santa event featured three sold-out sessions on Saturday, December 6, where guests enjoyed a delicious breakfast from Laurenda's Family Restaurant & Catering, free holiday crafts, and memorable photos with Santa.
- The Greer Farmers Market Christmas Festival took place on Saturday, December 6, and Sunday, December 7, welcoming thousands of guests for a festive weekend filled with Christmas shopping from over 65 local vendors, live holiday music, and delicious food from local food trucks.
- The 24th Annual Dr. Martin Luther King Jr. Celebration, held January 19 at The Event Halls at Greer City Hall, united the Greer community to honor Dr. King's lasting legacy. The event featured inspiring music and spoken word performances, along with a powerful keynote address by Woodrow Dantzler. Outstanding community members were recognized, including Singleton Gilmore with the Samaritan Award and Judge Henry J. Mims with the Rev. R.B. Sullivan Award. A Special Key to the City was also presented to former Harlem Globetrotter Kris Bruton for his leadership and positive impact on youth. The celebration honored Dr. King's vision while encouraging continued progress toward justice, equality, and community empowerment.

Ambassadors

- The Greer Station Shuttles continued to support our local restaurants, shops, and businesses in downtown Greer Station by picking up over 6,000 people throughout the year.

Greer Golf – Sam Merrell, Assistant General Manager, Greer Golf

Grounds Maintenance

- All tees were over-seeded with rye grass and top-dressed for the fall and winter.
- Ground staff patched some of the few remaining bad spots on our putting greens with diamond zoysia grass back in October, and they painted all our putting greens for the winter last week.
- We installed new irrigation software and hardware, and they are now fully operational. We also received our new greens roller this week.
- The Grounds Maintenance staff removed the old cart path at hole #12 bridge and have also been cleaning up limbs, fallen trees, etc. that they were not able to get to last year (from Hurricane Helene). They also assisted with the installation of the Recreation Division's pollinator garden next to the driving range.

Clubhouse - Pro Shop

- Tournaments hosted:
 - The Greer Community Ministries Annual Meals on Wheels Tournament on October 10, 2025. The tournament had nearly 160 players and is our biggest of the year.
 - The High School Girls Regional tournament for local high schools is on October 13.
 - Club Championship, which was open to all members and city of Greer residents. We had 40 participants.
 - Gap Creek Club Black Friday Two-Man Tournament on November 28 and the GCC (Gap Creek Club) Cup on January 11, 2026.
 - Through December 31 (6 months of Fiscal Year operation), we collected \$842,905.69 in revenue. This is 63% of our annual budget, and \$204,794.57 more in revenue than we had through December of last year.
- Greer Golf was featured in a digital ad on **GreerNews.com** for October.
- A tree dedication ceremony honoring the life and service of Cody Norris was held on Tuesday, November 25. Cody was a former employee and avid golfer who tragically passed away on November 22, 2024. The dedication included an opportunity for colleagues and friends to share memories. The 6-inch caliper Live Oak tree is placed on the left side of the cart path leading to hole #10 and features a plaque in Cody's honor.
- **Upcoming:**
 - Greer Golf is hosting Greer High School and Greer Middle School golf teams.
 - 2026 has been a little colder than recent years so far. We've had several days where frost delays have pushed our first tee time of the day to 10:30, and we are looking at potentially covering our greens and closing the course this weekend due to the severe weather.
 - We are planning our first Member-Guest tournament since being acquired by the city. We hope to have the tournament in March.

Recreation – Justin Miller, Recreation Supervisor

- Recreation Department End of the 2025 Year Programs & Rentals.
 - Department Programs: 45
 - Recreation Center Rentals (Tryon & Needmore Recreational Centers): 88
 - Kids Planet Rentals: 803
 - Neighborhood Parks & Private Rentals: 10
 - We recently completed the bi-annual and annual reports for the Senior Yoga and Summer Camp programs, required for receiving grants. Additionally, we have submitted our reimbursement request for the Senior Yoga program, which concluded this past fall.
- Recreation has completed a new basketball program at Stevens Park Basketball Courts, our newest facility. Eighteen (18) participants attended a community basketball clinic, followed by a four-week training session with twenty-two (22) participants.

Tourism – Lindsey Shaffer, Tourism Specialist

- **Greer150 PowerPoint Presentation, highlights of the year-long events planned:**

2026 will be a year-long celebration that brings together our diverse community, honors the past, and inspires a shared vision for the next 150 years of Greer.

 - We are partnering with the Greer Heritage Museum to bring monthly events, Greer150 merchandise, and much more.
 - Throughout the year, we will tell the story of Greer through interviews, art, storytelling, events, and engaging and educational social media content.
 - For the Greer150 branding, we decided to invite our community to take part in a special way. We made a call for branding submissions, formed a selection committee, and ultimately selected Scott Prather, who is a Greer resident. Scott's passion for this project was inspiring, and the designs connect Greer's rich history to the present day.
 - Our communications department made a webpage within the city website that will serve as the hub for Greer150 events and information.
 - We invite the community to get involved through volunteering and sharing stories of living in Greer. There is also a Business Prep Guide on the website showing how businesses and organizations can be part of the celebration.
 - Greer150 merchandise is available through the museum and can be purchased online at select events, and at the museum.

Grounds Maintenance and Urban Parks Division – Red Watson, Assistant Director of Parks, Recreation, and Tourism, *on behalf of Public Services & Grounds Department.*

Grounds - Athletics

- Public Service staff members assisted with several events, which included: the Christmas Tree Lighting, the Christmas Parade, and Arts and Eats, an annual event hosted by the Chamber.
- Staff prepared Country Club Fields for the Christmas 7s rugby tournament on December 7.
- Staff applied rye grass and fertilizer to City Stadium, Country Club Soccer Fields 1 and 2, Suber Soccer Fields 1 and 2, using our in-house turf program.

Grounds – Urban Parks

- Four staff members attended the Professional Grounds Management Society (PGMS) conference in Louisville, KY, in October, and brought home the National Grand Award for City Park/Downtown and the National Honor Award for Center for the Arts Park. These are very prestigious awards, and they went through a very competitive process and were recognized by Council for this accomplishment.
- Staff delivered six (6) Big Belly trash compactor units to City Park. These replaced the old units, which lined the promenade and around the fountain/amphitheater area.
- The Greentown Park entrance gate was installed on Friday, November 21
- Staff re-painted the Tube Dude statue at the Center for the Arts with the City color royal-gloss blue.
- We have had 4.4” of rain

Greer Golf Financial Reports – Red Watson, Assistant Director – Parks, Recreation and Tourism Financial Report

- Our program funds look good operationally. Supervisors continue to do a great job each season. All these programs are self-sustaining.
- Our Parks & Recreation Development (PARD) Grants. This grant was used by the golf course to extend the putting green, and we plan to apply for two (2) additional PARD grants in the Spring and possibly use the funds for improving the cart paths. PARD grants are broken up by counties, so we apply to the two counties in which the City of Greer is located. On the Spartanburg County side of the course and on the Greenville County side, we are thinking about using the funds to replace the range ball machine and making some cosmetic changes to the building it's housed in to use for additional storage.

Action Item:

- We are asking for your support to allocate a portion of the Fund Balance in our Recreation Programs Fund to upgrade the lighting system at Stevens Field for these reasons:

Sports field lighting technology has progressed rapidly over recent years. LED lighting is now the standard, and if you've been to Big Turner since we completed construction, you'll definitely see the difference between the LED lights there and the old lights (metal halide) at Little Turner. We've also heard from our local installers that metal halide bulbs will eventually become obsolete, and they are already becoming difficult to find. Very few manufacturers make ballasts for metal halide lights any longer, and most of those available are "aftermarket."

Knowing this, we have held high-level budget discussions over the past couple of years to develop a plan to upgrade all of our field lights. Stevens Field is home to our 15–19-year-old League, American Legion, Adult Baseball, and many high schools and academy teams use this facility throughout the year. This is a high-level playing field. Stevens Field is currently under construction to rebuild the outfield wall that was damaged in Hurricane Helene. This presented a perfect opportunity to upgrade the lighting system to LED and make this facility a safe, efficient, and unique baseball stadium for our community.

We arranged to have the light levels measured at Stevens Field by a local manufacturer, and they recommended upgrading all our lighting systems to LED. No surprise there. One thing that stood out in the study was that Stevens Field has abnormally low lighting levels. The levels are low enough to warrant immediate action, and we are planning to move forward with creating and advertising a request for proposals to upgrade our lighting system to LED. This will keep us on track to complete the project in April, before the American Legion season starts in the summer.

Benefits of converting: Significant energy savings, lower maintenance costs due to extreme longevity, superior light quality (brighter, less glare, better color), instant on/off with dimming/customization. This improvement will enhance player safety, performance, and fan experience.

- Red opened the floor for questions from the Board of Trustees:
 - Q.** Lance Owens: What is the approximate cost for the upgrade?
A: *Approximately - \$175k - \$225k*
 - Q.** Lance Owens: And we have that money in our account?
A: *Yes, as of 6/31/26, we have a balance upwards of \$500K (\$519,310)*
 - Q.** Jason Bridwell: Are these halogen lights?
A. *That's what I would call them. They refer to them as Metal Halide lights.*

Comment: *Amanda Hopper: For many years, citizens have requested that the lights be replaced out there, and if these lights are becoming obsolete and we will need to replace them in the near future, it may be beneficial to purchase them sooner rather than later to receive better pricing.*

Action: A vote of confidence to support upgrading the lighting system at Stevens Field with a portion of the Recreation Programs Funds.

- Vincent Anderson made a motion to take a vote.
- Second: Lance Armstrong

Vote: All Trustees were polled individually, and the decision was unanimous in support of upgrading the lighting system at Stevens Field with a portion of the Recreation Programs Fund.

ADMINISTRATION:

Capital Projects

- **Stevens Field Wall Replacement:** Construction of the outfield wall section that was damaged during Hurricane Helene was awarded to Foothills Construction Company. This project began in January. Money to reconstruct the wall is provided through FEMA. A new scoreboard will be installed and mounted on the new concrete field wall.
- **South Tyger River Greenway:** Foothills Construction Company began construction of the South Tyger River Greenway in the third week of November. They are working diligently and have accomplished all the tree removal before the December 15 deadline. This was to avoid interfering with the endangered Tri-Colored Bat's mating season. Grading of the trail has begun with the removal of debris.
- **Wards Creek Trail System:** SCDOT is reviewing the new path outlined by CPW.
- **Century Park:** Bids to repair/renovate the lower entrance to Century Park and address several areas throughout Kids Planet were presented to City Council on Tuesday, January 13. The project was awarded to McMurria Grading. The project will address stormwater erosion issues in Kids Planet and the lower entrance, as well as repave the road up to the bridge, leading to the ball fields.
- **Greer Golf:** Construction on the new bridge at Hole #12 leading to the tee box began in September 2025. Remaining construction consists of installing the handrails on the bridge and pouring the concrete cart path to the tee box.
- **Cannon Centre Retaining Wall:** A 35 ft. section of the retaining wall is peeling loose from the embankment. Our Capital Projects Management team is currently reviewing engineering plans to determine the best course of action.

Other Updates

- The City of Greer and all departments are preparing for the incoming winter storm. The City's website and social media outlets will communicate any operation closures and updates.
- We have Ad-Hoc Committee Representatives whose terms have expired, and we are actively seeking replacements for those positions. These will be presented to the Board and voted on at our next meeting.

Departmental Updates

Athletics Division – Cory Holtzclaw, Athletics Supervisor

Since our last meeting, the athletics division...

- Completed the 2026 Greer Baseball and Softball Club Opening Day weekend
 - Additionally, over 40 games were played in one day at every available diamond in Greer for the Greer Diamond Classic tournament.
- The Home Run Derby, held Friday evening at two parks, was also a tremendous success.
- Successfully completed the Tomahawk Invitational Youth Wrestling tournament
- Approximately 200 wrestlers participated in the tournament, which was held in partnership with the Greer High School Wrestling Program. Greer High School wrestlers officiated every match.

- Completed 2025-2026 Tomahawk Youth Wrestling season
- Completed the Rugby South Carolina Jamboree at Country Club Park
 - Rugby programs from across South Carolina participated in the event, with many teams traveling from the Wando/Mount Pleasant area.
- Facilitated Greer Baseball and Softball Club regular-season league play at Turner Park, Country Club Park, and Century Park. Play will begin at Stevens Field once the wall project is completed.
- Facilitated 2025-2026 Foothills Soccer Club of Greer Academy division practices and games at Greer City Stadium.
- Facilitated 2026 Foothills Soccer Club of Greer Recreation Division practices and games at Suber Park. Opening night was Monday, March 30
- Registration for Cheer for Greer began on Monday, April 6th, which typically reaches capacity within one week.
- Completed plans and finalized the agreement for the 2026 Spring G-Vegas Adult Volleyball season at Country Club Park. This follows the successful inaugural season held last fall at Suber Park.
- Completed preseason American Legion baseball meeting with the post. Greer Post is set to hold a Junior and Senior program this upcoming late spring and summer at Stevens Field.
- Facilitated Greer 76ers Rugby programming
- Continued facilitating Greer 76ers Rugby programming.
 - The junior program concluded the season with semifinal appearances in three age divisions within the Charlotte Youth Rugby Union.
 - Registration for the summer flag rugby program is currently underway.
 - The high school season remains in progress, including participation in the end-of-season all-star program. Greer 76ers varsity players have competed in multiple tournaments across the East Coast as they pursue qualification for the National Championships in Indiana.
- The Athletics division is set to host Rugby programs from all around the southeast this weekend at Country Club Park for the SCRC Rugby 7s tournament.
 - Participating teams include Clemson University, the University of Tennessee, the University of Georgia, the University of Kentucky, the University of Alabama, the University of South Carolina, and several other institutions.
 - Concession operations are fully operational for the season.
 - Athletics staff are currently operating concession stands at Country Club Park and Century Park three to five days per week, depending on the event schedule.
- Completed FY2025-2026 Budget Item projects
 - Items such as restroom timers at athletic fields allow patrons to use the restrooms outside the normal 4:00 PM – 9:30 PM time slots. We typically see a lot of play at Century Park outside those hours, and access to these restrooms is crucial for disc golf and open community play.

Cultural Arts Division – Robin Byouk, Cultural Arts Supervisor

- The *Created by Black Artists* exhibition was held at the Center for the Arts, with an opening reception on February 6. The reception included a program featuring local poets and remarks from elected officials.

January 22 – April 16 Totals

- 81 Internal Events
- 59 Rentals
- 5 Special Events
- 7 Weddings

Total: 152 events, attracting more than 16,500 visitors to Greer City Park.

- Several facility improvement projects were completed, including upgrades at the Cannon Centre. The floors were professionally stained to enhance durability and improve the facility's overall appearance. In addition, the chairs were reupholstered for a second time, extending their lifespan while providing a more modern appearance.
- Greer Alive took place on March 13, at Greer City Park and was a successful event with strong attendance. Remedy 58 provided live music, and six food trucks offered a variety of food options. Eight local vendors were also on-site, showcasing their products. Greer Relief partnered with the event to provide adult beverages.
- The Greer Farmers Market took place on Sunday, March 15, from 11:00 AM to 2:00 PM at Greer City Park. The event featured more than 50 vendors offering fresh local foods and goods, live Celtic Music by Dr. Don, and food offerings such as baked potatoes from Larios. Chanticleer Blooms provided seasonal tulips and specialty flowers. The market also offered SNAP benefits, including Healthy Bucks incentives, and a Healthy Kids program that provided vouchers for fresh food items.
- The City of Greer's Easter Eggstastic event held Saturday, March 21, from 11:00 AM to 1:00 PM at Greer City Park, drew more than 3,000 attendees. Guests enjoyed face painting, balloon artists, caricatures, craft stations, inflatables, putt-putt golf, a petting zoo, and a DJ playing kid-friendly music that maintained high energy throughout the event. Roaming entertainers included JJ's Magic, juggler Alex Jeffers, and princess characters Tiana and Belle.

Ambassadors

- The Greer Station Shuttles continued to support local restaurants, shops, and businesses throughout downtown Greer Station by providing transportation for more than 700 passengers during the year.

Greer Golf – Red Watson, for Sam Merrell, Assistant General Manager, Greer Golf

- Greer Golf was closed for 14 days (January 23–February 5) due to inclement weather and sub-freezing temperatures. During this time, the newly purchased green covers were deployed and performed exceptionally well in protecting the greens.
- Tournaments hosted:
 - The Tyger River Shiver Tournament was held February 21–22, with 54 two-person teams participating. The tournament was a great success, and numerous compliments were received regarding the excellent course conditions and overall player experience.
 - The City Club of Greenville Tournament was held on Monday, March 30, with 104 participants.
 - The Amateur Players Tour event was held on Saturday, March 21, featuring 104 golfers from Upstate South Carolina and Western North Carolina.
 - The Piedmont Seniors tournament hosted 44 participants.
 - The Gap Creek Club tournament, held on Saturday, April 4, hosted 68 participants.
 - The 48th Greater Greer Open was held April 25–26 and featured a field of 96 players—the largest field since the city purchased the golf course. Connor Moore won the Championship Flight with a two-day total of six-under-par, while Duff Wagner won the Senior Division with a two-day total of two-under-par.
 - Greer Golf is currently hosting matches for Greer High School, Greer Middle School, Greer Middle College, Mitchell Road Christian Academy, and Eastside High School.
- Grounds Maintenance staff have been preparing the course for the peak golf season. Staff also partnered with the Projects Division to complete the Hole No. 12 bridge installation by placing riprap and gravel at both bridge approaches and installing landscaping before the Greater Greer Open.
- Steven Thompson and Tyler Pearce attended STI Equipment Technician training covering electrical systems, reel grinding, and sprayer calibration.
- Grounds Maintenance staff installed a new drainage system at Hole No. 14 tee box and added irrigation to the pollinator garden adjacent to the driving range.
- The irrigation pond at Hole No. 2 received the first of two scheduled treatments to eliminate lily pads.
- The driving range remains closed due to mechanical issues with the range cart. A replacement cart, originally requested in next fiscal year's budget, will require approximately six weeks for delivery. In the interim, the Public Services Department adapted a surplus Gator utility vehicle to operate the ball picker, allowing range maintenance to continue. Greer Golf greatly appreciates Public Services' assistance and support. That was a huge help to us, and we sincerely appreciate the help!
- Year-to-date revenue for the fiscal year totals **\$1,208,913.79**, with expenditures of **\$1,162,732.17**, resulting in a year-to-date operating profit of **\$46,181.62**. This total includes **\$87,674** in capital equipment purchases for green covers, irrigation pump station repairs, and a new greens roller. Excluding these capital purchases, operational profit totals **\$133,855.62**, which is consistent with the same period last fiscal year.

Recreation – Red Watson, on behalf of Justin Miller, Recreation Supervisor

- We welcomed Heather Freeborn as our new full-time Recreation Coordinator. Heather brings extensive experience in recreation programming and facility rental operations.
- Hosted four-disc golf tournaments, two pickleball tournaments, and one archery tournament. During May, the division will host one disc golf tournament, two pickleball tournaments, and two additional archery tournaments.
- Summer Camp preparations are underway. Staff are currently hiring 10 seasonal employees and planning both staff and parent orientation sessions.

Tourism – Lindsey Shaffer, Tourism Specialist

- The Greer Heritage Museum's Greer150 February event took place on Saturday, February 14. Two sessions were held due to high demand. Tourism staff will participate in as many of these events as possible and provide activity and event information for guests.
- Discover Greer is partnering with two local content creators through June 2026 to feature a dining series and highlight unique local attractions throughout Greer. To date, three restaurants have been featured, and the videos have generated strong audience engagement.
- Staff continue working with the BMW Charity Pro-Am on the ParTee on Trade event to ensure planning efforts remain on schedule. The event will be held in downtown Greer on Sunday, May 31, from 11:00 a.m. to 3:00 p.m.
- The Greer Heritage Museum's **Greer150: The Founding of Greer** event was held on Saturday, March 21, at the Historic Greer Depot and attracted more than 200 attendees.
- The city celebrated the official 150th Anniversary on Wednesday, March 25, with a reception honoring Greer's past, present, and future.
- Also on March 25, the museum coordinated a pop-up scavenger hunt downtown to celebrate the Greer150. Once participants found one of three locations, they could claim their prize (a free Greer150 shirt) at the museum.
- The Greer150 Big Bash was held on Saturday, March 28, from 4:00 p.m. to 9:00 p.m. in downtown Greer. Several thousand people attended the celebration, and staff received overwhelmingly positive feedback from attendees and vendors regarding the event, the 1980s tribute band, and the laser light show.

Greer Golf Financial Reports – Red Watson, Assistant Director – Parks, Recreation and Tourism

- Departmental program funds remain in a strong financial position. The department is on track to finish the fiscal year with positive results and expects to increase the fund balance for future capital and operational projects. Appreciation was expressed to the division supervisors for their effective financial management and continued efforts to reduce program costs through grants, sponsorships, and other funding opportunities.

Director's Report Ann Cunningham, Director **ADMINISTRATION:**

Capital Projects

Wards Creek Trail System

- The South Carolina Department of Transportation is reviewing the new path outlined by CPW. The trail is intended to serve as an alternative transportation route connecting residents to community resources.

South Tyger River Greenway

- Foothills Construction Company has completed several concrete sections of the South Tyger River Greenway and removed dozens of trees along the project corridor. Crews are currently placing stones along the concrete edges and will soon begin installing the trail's boardwalk sections. The project remains on schedule, with an anticipated completion date of mid- to late summer.
- Foothills Construction Company began construction of the South Tyger River Greenway during the week of November 17.

Century Park

- Construction of the lower entrance was completed during the week of March 23. The project addressed stormwater erosion issues in the Kids Planet area and at the lower entrance, while also repaving the roadway leading to the ball fields.
- Irrigation work in Kids Planet began this week, along with the installation of handrails on the new staircases added to the park. Landscaping and sod installation will follow and complete the project.

Greer Golf

- All bridge construction has been completed on the new bridge leading to Hole No. 12 tee box.
- Jim Young, our General Manager at Greer Golf, will be retiring in July. Jim has done an excellent job for the city, and we wish him well.

- **Stevens Field Wall Replacement** Construction and painting of the new wall is now complete. The remaining items are the installation of the scoreboard, placement of the foul poles, and painting of the existing wall.
- **Stevens Field LED Light Conversion**
This project was temporarily canceled and will be readvertised in the near future, with a revised construction start date of August 1, 2026.

Meeting Concluded at 6:54 p.m.

ADMINISTRATION

CAPITAL PROJECTS:

- **Stevens Field:**
 - Wall Replacement: Construction and painting of the new wall is now complete. Remaining items are installation of the scoreboard, placement of the foul poles, and painting of the existing wall.
 - LED Light Conversion: This project was temporarily cancelled and scheduled for re-advertisement with a new construction start date of August 1, 2026.
- **Wards Creek Trail System:** The South Carolina Department of Transportation (SCDOT) is reviewing the new path outlined by CPW.
- **Century Park:** Lower entrance construction was completed the week of March 23. Construction has begun to repair/renovate the lower entrance to Century Park. The project will address stormwater erosion issues in Kids Planet and the lower entrance, as well as repave the road leading to the ball fields.
- **Greer Golf:** All bridge construction is complete. Handrails were installed on April 24, along with grading, sodding, and landscaping. The bridge reopened on April 25, just in time for the Greater Greer Open. Construction on the new bridge at Hole #12 leading to the tee box began in September 2025.
- **Cannon Centre Retaining Wall:** A 35 ft. section of the retaining wall is peeling loose from the embankment. Our Capital Projects Management team collaborated with the adjacent property owner, and construction/repair is scheduled to begin soon.
- **South Tyger River Greenway:** Foothills Construction Company has started pouring concrete sections of the trail and removed dozens of trees from the South Tyger River. Once all concrete sections have been poured, they will move on to installing the boardwalk sections of the trail. Foothills Construction Company began construction of the South Tyger River Greenway during the week of November 17.

ATHLETICS

- ⚾ **Junior and High School Rugby Programming:** The Greer 76ers Varsity Boys all-star selections competed in the Friendship Cup in Nashville Tennessee going 2-1 on the weekend. Coaches and players are hopeful these results will mean an invite to nationals in Indiana. Only the top teams in the country can compete in this event. Greer 76ers Juniors staff are currently preparing for the 2026 summer flag rugby season.
- ⚾ **Greer Baseball Club:** Regular season matchups are currently underway at Century Park, Country Club Park, and Little Turner Field. All Stevens Field matchups are currently postponed until completion of wall repair project. Pony teams are competing in all away games this season until Stevens Field project is completed.

ADMINISTRATION

CAPITAL PROJECTS:

➤ **Stevens Field:**

- **LED Light Conversion:** This project was temporarily cancelled and will be readvertised soon with new construction starting in early August 2026.

➤ **Wards Creek:**

- **Trail System:** The South Carolina Department of Transportation is reviewing the new path outlined by CPW. This trail will serve as an alternative mode of transportation for making connections to resources in the community.
- **Park:** Working with GMC on completion of a Conceptual Plan by the end of the fiscal year. We will work towards completing the engineering and design Masterplan in FY 26-27.

- **Century Park:** Lower entrance construction was completed the week of March 23. The project addressed stormwater erosion issues in Kids Planet and the lower entrance, as well as repaving the road leading to the ball fields.

Irrigation work on Kids Planet began the week of April 27 as well as the installation of the handrails on the new staircases added to the park. Landscaping and sod will follow those items and will complete the project during the latter part of June.

- **Greer Golf:** All bridge construction is complete. Handrails were installed on April 24, along with grading, sodding, and landscaping. The bridge reopened on April 25, just in time for the Greater Greer Open. Construction on the new bridge at Hole #12 leading to the tee box began in September 2025.

- **Greentown Park:** We are working with the Capital Projects team and Blue Water Civil to complete the design and engineering plans for the renovation of Greentown Park in FY 26-27.

- **South Tyger River Greenway:** Foothills Construction Company has completed pouring concrete sections of the trail and removed dozens of trees from the South Tyger River. They are in the process of adding stone along the edges of the concrete and will begin installing the boardwalk sections of the trail soon. The estimated date of completion is mid-to-late June.

We are working with the Capital Projects team and Keck and Wood to complete trail signage design/construction and engineered drawings for the deck overlook, near the entrance to the trailhead off the parking lot, by the end of the fiscal year. PRT would like to use PARD funds with a match from the City to construct the deck during FY 26-27.

ATHLETICS

Registrations:

- The Athletics Division opened registration for the following programs: Greer Baseball Club – Fall 2026, Greer Softball Club – Fall 2026, Greer PRT NFL Flag Football – Fall 2026, Greer PRT Tackle Football – Fall 2026, Foothills Soccer Club of Greer – Fall 2026, and Greer Adult Baseball – Fall 2026.

- Greer Baseball Club 10U White and 10U Navy All Stars competed in SC DYB District 1 tournament play. Both teams were eliminated in district play.
- Greer Baseball Club 12U All-Stars won the MB6 Invitational Tournament in Mauldin, SC and claimed the SC DYB District 1 Championship in Westminster.
- Greer Baseball Club 15U Pony League All-Stars concluded its summer season with a runner-up finish in the MB6 tournament in Mauldin, SC

Adult Volleyball: League play is currently underway for adult volleyball at Country Club Park. On average 80-100 adult volleyball participants compete each session.

Greer 76ers Rugby: Greer 76ers Summer Touch and Flag rugby is in full swing. Participants aged 7-14 are introduced to the sport through this instructional league. This program continues to be a great recruiting tool for our fall tackle program.

American Legion Baseball: Athletics division staff facilitated all American Legion Junior and Senior programming at Stevens Field. Staff participated in “City of Greer” night with Post 115 Greer Warhawks.

Greer Softball Club: Summer teams continued tournament competition across the Upstate of South Carolina.

- Greer Softball Club 8U All-Stars earned a runner-up finish in the MB6 Invitational Tournament in Mauldin, SC as well as a runner-up finish in the South Carolina Athletic Program District tournament. They will now advance on to play in North Augusta and represent our city in the state tournament.
- Greer Softball Club 10U All-Stars competed hard and advanced to the third round of district tournament play.

Country Club Park:

- Athletics staff hosted multiple youth baseball tournaments at Country Club Park. Country Club Park is set to host a full slate of tournaments this summer.
- The Athletics staff is currently replacing the old batting cage system on site with a new updated system that will resemble the cage on site at Turner Park. This will enhance the experience for our internal and external participants.

Concessions Operations: Athletics staff continue to manage concessions operations for all scheduled tournaments, league play, and special events on site at Country Club Park and Century Park.

Safety Committee: Athletics Supervisor attended safety committee meetings as scheduled and relayed all pertinent information to department.

CULTURAL ARTS

- ✍ Staff worked on preparations for Tunes in the Park and Greer Idol, including an information meeting with the Greer Idol contestants.
- ✍ Staff prepared for the upcoming art reception and for the visit from artist Bing Davis. Staff finished the displays for the gallery, including information boards and vinyl quotes on the walls.

Bing Davis, whose artwork is currently on display in the center for the arts gallery, visited May 3-6. Bing Davis was born in Greer in 1937, but moved to Dayton, Ohio shortly after and has lived there most of his life. An art reception was held on Tuesday evening, May 5th.

Staff took Mr. Davis to several schools in Greer on May 4-5 to give artist talks and do a small art project with each class. He was very well received, and we got lots of great feedback from the students and teachers. Students from the Fine Arts Center took a field trip to the Center for the Arts on May 6 to see the gallery and hear Mr. Davis speak. To finish out the visit, staff took Mr. Davis to the Greer Heritage Museum and received a tour from David Lovegrove. Clay classes continued five days a week. Crochet classes were held on Tuesdays for adults and children.

- ✍ Belly dance class continued Wednesday evenings and ended on May 20.
- ✍ The Center for the Arts hosted two private rentals: one graduation party and one business event.
- ✍ The first Tunes in the Park of 2026 was held on Saturday, May 16th in City Park. The Night Affair Band performed to a massive crowd. The amphitheater was packed, plus people sitting on both sides of the stage in the grassy areas. The first round of Greer Idol and Greer Idol Jr were held as well.
- ✍ Staff worked on the PRT Department year end budget presentation, a new program called Stories and Adventures, advertising new kids clay classes starting in June, graphics/signage for other divisions within the department, and upcoming public art projects.
- ✍ Ice Age Sculptures carved a new tree sculpture in the park from a tree that died last year. The sculpture is called Monarch Migration. They also temporarily removed the Emerging tree sculpture, first carved in 2020, for some maintenance. It will be reinstalled on a concrete base in its original location after the rotten stump is removed.
- ✍ The addition of a new full time staff member has allowed for us to establish some additional public gallery hours at the Center for the Arts. The gallery is now open to the public Tuesdays 12-8pm, Wednesdays 12-4pm, Thursdays 12-4pm, Fridays 10am - 2pm, and Saturdays 10am - 2pm. We held our first Stories and Adventures, A new series inspired by our original Tall Tale Tuesday's program on June 2. Beekeeper Mark Sweatman shared a presentation about honeybees; read some bee related stories and shared some bee related crafts. The event was extremely successful, bringing in at least 150 attendees, which is max capacity for the space.

EVENTS

✚ **Total events held in May: 91** (*Internal: 26, Rentals: 43, Special Events: 7, Weddings: 15*)

- ✚ The Events Division is currently working on finalizing plans for Freedom Blast which include requesting checks for all performers and rental companies, making sure the map is up to date, purchasing supplies, and emailing all vendors with the map and details to help during set up.
- ✚ The first Moonlight Movies event of the season will be held on Thursday, June 4 at Greer City Park. The film that features will be Zootopia 2. Attendees will enjoy complimentary face painting provided by Joyset Entertainment, two food vendors, a free children's craft activity, and a raffle featuring a variety of prizes donated by local businesses.
- ✚ The Greer Farmers Market was held every Sunday in May from 11:00 AM to 2:00 PM at Greer City Park, featuring over 60 farmers, makers, and bakers, including 16 farms offering a wide variety of fresh local products. Attendees enjoyed live music and a diverse lineup of food vendors. The market will continue through September 27.

The market also supported the community through SNAP benefits with Healthy Bucks incentives and a Healthy Kids program that provided vouchers for fresh food items.

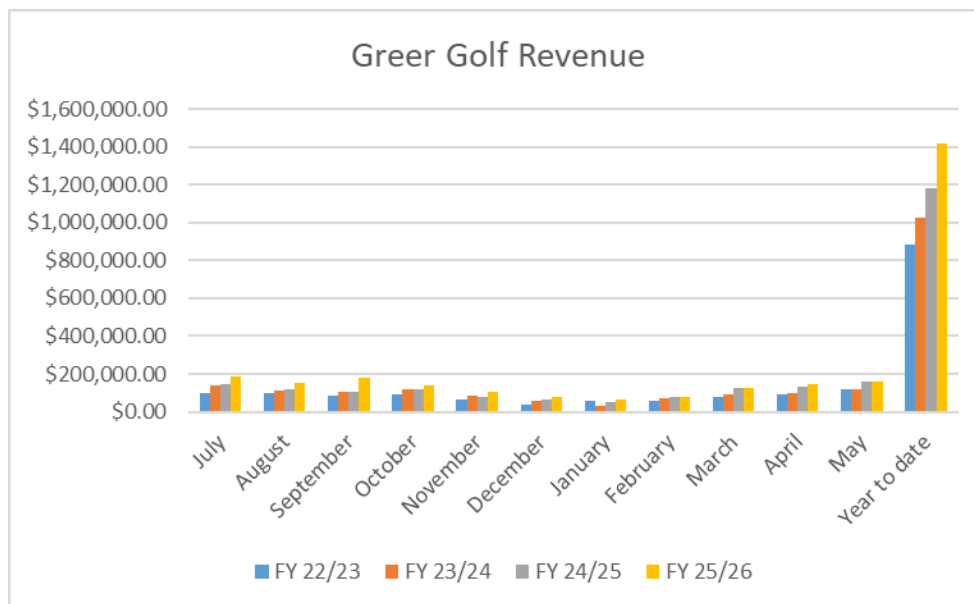

On May 31, the market collaborated with Partee on Trade for the BMW Pro Am Golf Tournament Kick-off. Citizens were able to enjoy Downtown Greer from City Park to Trade Street. Market hours were extended to 11am – 3pm and offered a plant swap to attendees.

- ✚ The Events Division hosted the Greenville County Election Commission at the Event Halls to train volunteers for the upcoming election.
- ✚ Over the month of May, the Ambassadors transported more than 500 passengers.

GREER GOLF

- 🚩 We hosted tournaments for the Gap Creek Club on May 9th (72 players) and Legacy Early College on May 4th (60 players).
- 🚩 We hosted the Greenville County Two-Man Amateur Championship May 16 and 17. Registration was full with 54 teams (108 players). The event went well, and we received countless compliments on the course.
- 🚩 Staff worked on completing annual performance evaluations.
- 🚩 Grounds Maintenance moved an irrigation power breaker box behind 9 tee box and resolved several irrigation issues throughout the course.
- 🚩 Grounds Maintenance sprayed putting greens with fungicides and top dressed the driving range tees.
- 🚩 We had four days of rain over a five-day period (May 22 – May 26). This resulted in the course being shut down for two and a half days.
- 🚩 Revenue for the month of May was \$156,820.61, which is on par with revenue from May of last year. For the fiscal year beginning July 1, we have collected \$1,416,976.69 as of May 31, representing 106% of the total revenue budgeted for the year. Consequently, as of May 31, after expenditures, we currently have excess revenue of \$133,146.05.

MONTHLY REPORT

JUNE 2026

GREER Parks,
Recreation
& Tourism

ADMINISTRATION

CAPITAL PROJECTS:

➤ **Stevens Field:**

LED Light Conversion Project: The project was temporarily deferred and is scheduled for readvertisement. New construction remains on track to begin in late fall 2026.

➤ **Freedom Blast:**

Freedom Blast 2026 was a tremendous success, and we couldn't have done it without our incredible staff, dedicated volunteers, and outstanding vendors. Their hard work, generosity, commitment, and teamwork made this year's Freedom Blast a memorable event for our community.

➤ **Wards Creek:**

The plans for SCDOT Review/Coordination for construction of the Wards Creek Trail is currently taking place. We are expecting comments/plan approval from SCDOT in early August and SCDOT will release for bidding once approved. Construction of the trail is expected to begin mid-November 2026 and be completed by mid-August 2027. Wards Creek Park Conceptual Planning has been completed. We will work towards completing the engineering and design Masterplan in FY 26-27.

➤ **Century Park Infrastructure Updates:**

- Stormwater and repaving: Construction at the lower entrance concluded the week of March 23. This phase successfully mitigated severe stormwater erosion issues within Kids Planet and the lower entrance while repaving the primary access road to the ball fields.
- Kids Planet upgrades: Irrigation work and the installation of safety handrails on the new park staircases commenced in the week of April 27.
- Project completion: Final landscaping and sod installation followed these upgrades, bringing the entire park project to successful completion in late June.

➤ **Greentown Park:** We are working with the Capital Projects team and Blue Water Civil Engineering to complete the design and engineering plans for the renovation of Greentown Park in FY 26-27.

➤ **South Tyger River Greenway:** Foothills Construction Company has completed pouring concrete sections of the trail and removed dozens of trees from the South Tyger River. They have added stone along the edges of the concrete and have begun installing the boardwalk sections of the trail. The estimated date of completion is mid-to-late fall.

We are working with the Capital Projects team and Keck and Wood to complete trail signage design/construction, an additional entrance/exit gate to provide parking for trail users during the daytime and engineered drawings for the deck overlook, near the entrance to the trailhead off the parking lot. PRT plans to use PARD funds with a match from the City to construct the deck overlook during FY 26-27.

ATHLETICS

-  **Registrations:** Athletics registration continues to remain strong for our Fall 2026 programming. Current registrations include Greer 76ers Summer Flag & Touch Rugby, Greer Baseball Club, Greer Softball Club, Greer PRT NFL Flag Football, Greer PRT Tackle Football, Foothills Soccer Club of Greer, Greer Adult Baseball, and Cheer for Greer. Cheer for Greer registration is now complete, sizing sessions have concluded, and the preseason camp schedule has been finalized.
-  **American Legion Baseball:** Junior and Senior American Legion Baseball games continued throughout the month of June at Stevens Field. Legion playoffs are set to begin in mid-July.
-  **Adult Volleyball:** Spring-Summer 2026 Adult Volleyball season concluded on June 17 at Country Club Park. Next season will be in the Fall of 2026 at Suber Road Park.
-  **Rentals:** The athletics division completed youth baseball tournament rentals at Country Club Park. Youth baseball teams from all over the Upstate and Western North Carolina competed.
-  **Greer 76ers Summer Flag and Touch Rugby:** Greer 76ers Summer Flag and Touch Rugby training sessions started at Country Club Park.
-  **Maintenance/Repairs:** Athletics staff is currently overseeing Country Club Batting Cage project as well as a lighting maintenance project at Country Club Park that requires the replacement of underground wiring to poles.
-  **Concessions:** Athletics staff successfully managed concession operations throughout the month of June for league and tournament play.
-  **Greer Baseball Club:** Greer Baseball Club All-Star teams continue to represent the program well in tournaments across South Carolina.
 - **6U:** Greer Baseball Club 6U all-stars qualified for the South Carolina State Tournament, Competed in the South Carolina Diamond Youth Baseball State Tournament June 26 through June 30.
 - **8U White:** Greer Baseball Club 8U White competed well at the MB6 Tournament in Mauldin, SC and South Carolina Diamond Youth Baseball District 1 Tournament. Team was unfortunately eliminated in district play.
 - **8U Navy:** Greer Baseball Club 8U Navy captured the district 1 Championship, finished district undefeated. Competed in the South Carolina Diamond Youth Baseball State Tournament June 26 through June 30.
 - **10U White and 10U Navy:** Both 10U Greer Baseball Club summer tournament teams competed well throughout the summer in various tournaments but eventually were eliminated in district play.
 - **12U:** Greer Baseball Club 12U all-stars claimed the SC DYB District 1 Championship, MB6 Championship, and finished 3rd at the SC DYB State Tournament
 - **15U:** Greer Baseball Club 15U all-stars concluded its summer season with a runner-up finish at the MB6 Tournament in Mauldin.
-  **Greer Softball Club:** Greer Softball All-Star teams continue to compete successfully throughout the state.
 - Greer Softball Club 8Us claimed the 2026 South Carolina State Championship on June 23 in North Augusta. Greer Softball Club 8U All Stars finish the summer as 2026 MB6 tournament runner ups, 2026 District runner ups, and 2026 SCAP State Champions. This is our first softball state title since 2009. This group of girls climbed the mountain top through a summer of hard work and dedication.

- 8U: 8U All Stars finished as runner-up at the MB6 Invitational Tournament in Mauldin, finished as runner up in districts, but claimed a South Carolina Athletic Programs (SCAP) state title over the summer. This is our program's first title in well over a decade. Greer PRT staff and the City of Greer are scheduled to honor them at a city council meeting this Fall. This is a tremendous accomplishment for our local softball program.
- 10U: 10U All Stars competed well but were eliminated in the third round of district tournament play.

CULTURAL ARTS

- ✍ We successfully launched Stories and Adventures, a new program for young children inspired by our former "Tall Tale Tuesdays" series. The six-week program runs every Tuesday morning from 10:00 AM to 11:00 AM (June 2 – July 14). Each session features a guest speaker presentation, themed story readings, and matching crafts. The initiative has been an overwhelming success, reaching maximum capacity each week with an average of 120–150 attendees.
- ✍ June weekly recap:
 - June 2: Beekeeper Mark Sweatman shared insights on honeybees and showcased a live observation hive.
 - June 9: The Greer Children's Theatre cast of Junie B. Jones The Musical Jr. performed for attendees.
 - June 16: Local author Kathryn Rountree hosted a live reading of her book.
 - June 23: Costumed Star Wars characters read galaxy-themed stories to the children.
 - June 30: Justin Miller delivered a presentation on monarch butterflies
- ✍ Visitors are still attending the Center for the Arts to see the Bing Davis exhibition, which will be ending on June 30.
- ✍ Edwin Hutchinson, Ice Age Sculptures, has finished carving the 4th tree sculpture at the Center for the Arts called Butterfly Migration. The first tree sculpture carved at the Center for the Arts called Emerging, was decaying at the base. It was cut off the base and transported to Edwin Hutchinson's workshop to be repaired. Public services poured a concrete base for it, and it was returned on Tuesday, June 23.
- ✍ Painting began on the mural on the side of the Davenport building. It was created by Adam Schimmer of Blank Canvas Mural Company.
- ✍ Ceramics and clay programming continued five days a week at the Center for the Arts, running daily except for Fridays and Sundays. Additionally, the center hosted two Tuesday crochet classes tailored for both adults and children.
- ✍ Staff worked on graphic designs for upcoming events and upcoming summer and fall programming. We also worked on logistics for upcoming programs, including the Holiday Arts Fair, the Day of the Dead Festival, Santa Central, etc.
- ✍ The 2nd Tunes in the Park for 2026 was held on June 20 with the Jaime Wright band performing. Crowds were not as high as the first month, but the city amphitheater was full, and the weather was beautiful, and the Greer Idol competition continues. Staff worked on preparations for Tunes in the Park and Greer Idol, including an information meeting with the Greer Idol contestants.
- ✍ The Upstate healthcare coalition held their second rental in three weeks at the Center for the Arts.

EVENTS

✚ **Total events held in June: 53** (*Internal: 21, Rentals: 14, Special Events: 9, Weddings: 9*)

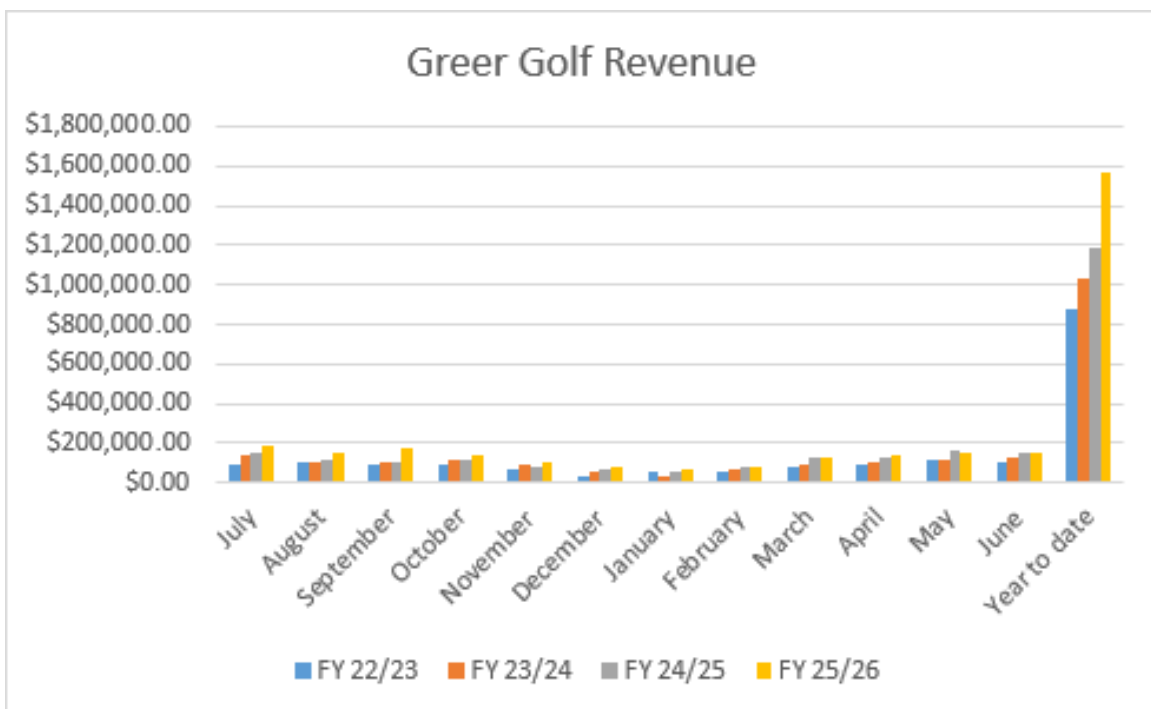

- ✚ Freedom Blast welcomed more than 20,000 attendees as the City of Greer celebrated America's 250th anniversary. As one of Greer's premier events and a signature military and veteran-focused celebration, Freedom Blast featured participation from 15 local military and veteran organizations. Several enhancements were made this year, including the expansion of food vendors into the Tribe 513 parking lot, additional roaming performers throughout the event site, and a laser show projected onto Greer City Hall. The event also returned to a traditional fireworks display, which lasted more than 25 minutes and received positive feedback from attendees. The success of Freedom Blast requires the support of more than 250 staff members and volunteers who assist with event operations, safety, logistics, and guest services throughout the day.
- ✚ The first Moonlight Movies event of the season was held on Thursday, June 4 at Greer City Park and was a great success, drawing a large crowd. The featured film was Zootopia 2. Attendees enjoyed complimentary face painting provided by Joyset Entertainment, two food vendors, a free children's craft activity, and a raffle featuring a variety of prizes donated by local businesses. Since transitioning to a mobile LED screen last season, which allows movies to begin earlier than in previous years, attendance has continued to increase. We have also noticed more attendees staying for the entire movie. A photo of the crowd is attached for reference.
- ✚ The Greer Farmers Market was held each Sunday in June and continued to serve as a popular community gathering space, with weekly attendance averaging more than 1,000 visitors. The June 7 market featured a kid-themed event with balloon animals, face painting, bounce houses, live children's music, and a variety of activities and games. The Father's Day Market on June 21 featured more than 60 farmers, makers, and bakers, including 16 local farms offering fresh, locally grown products, along with live music, food vendors, and family-friendly activities. The market also continued its commitment to improving access to fresh food through SNAP benefits, Healthy Bucks incentives, the Healthy Kids program, and participation in the POP Club program. Through these initiatives, children and families received vouchers that could be used to purchase fresh produce and other healthy food options from participating vendors.
- ✚ The Ambassadors transported more than 500 passengers during the month of June.
